Emily,

Angelica ONeill at OLI needs her sub ID password reset please.

Also, on the new database, I entered OLI St. Louis and St. Charles separately, with Gloria Lee as the Subcontractor for St. Louis and Angelica as the Subcontractor at St. Charles, just as they were in the old database. They would like to just have one subcontractor account, with Gloria as the Subcontractor Point of Contact and Angelica under the subcontractor as an employee. They're unable to create an employee account for her under OLI-St Louis because I had already requested one for her as the subcontractor under OLI-St. Charles. How do we handle/correct this in the database?

Thanks!

Carrie
